Deputies' Meeting

Thursday, 2 October 1952

PRESENT: General Smith, Messrs. Wolf, Wisner, Becker, [redacted] Gen. Barber,  
Mr. Earman

General Smith:

[redacted]

b. Stated that he and Mr. Wisner should plan to go to New York one day next week to hold discussions with representatives of the [redacted] Foundation.

c. In response to a comment by Mr. Wisner concerning yesterday's PRC meeting, the Director stated while he was pleased to note that Mr. Wisner's people felt they had received "full time" from him he hoped this would be reciprocated at the next meeting. The Director went on to say that this should not be considered as an admonition on his part but rather a suggestion that the sponsors of projects be better prepared to defend them.

Mr. Wolf:

a. Reported that nine of the ten loyalty cases would be completed by the morning of 6 October. The DCI said "he hoped" the other case would be completed in the afternoon of that date.

Mr. Wisner:

a. Noted he had been advised that David Bruce would take a [REDACTED] modified stand on RFA. The Director stated that if any action was desired by State on our part in connection with RFA, they should furnish us with their "modified plan" and leave it to us to implement.

Mr. Becker:

a. Referred to his recent discussion of the possibility of the Russians withdrawing from the UN as presently established and forming a rump organization of their own composed of representatives from the satellites and stated that this now appeared to be more than a possibility in view of the Russian delegates appointed to attend the next session of the UN. The Director stated this was certainly the Russian first team and concurred with Mr. Becker's recommendation that the matter of the US stand in this event be put before PSB. In this connection, the Director noted, however, that this was primarily a State Department responsibility. After some discussion, Mr. Becker undertook to prepare a memorandum on this problem for the Director.

b. Noted that [REDACTED] had been advised by a State Department employee, unknown to us, that we were knowledgeable of all of his [REDACTED] plans during his recent trip to [REDACTED]

[REDACTED]

a. Briefly reported on his activities in [REDACTED] and, in response to a query from the Director, stated we were getting along well with the CIC. The DCI stated he wished to see [REDACTED] before his departure on 7 October. (NOTE: Miss Christensen will arrange this appointment.)
